

GOVT. OF ASSAM  
OFFICE OF THE EXECUTIVE ENGINEER : INLAND WATER TRANSPORT  
DIVISION ::: JORHAT.

ORDER NO. 96

Dated Jorhat, the 20-10/2024.

OFFICE :::: ORDER.

This is for general information to all concerned that due to rapid decreasing of water level of the river Brahmaputra in Neamati-Kamalabari ferry route the operation of all type of vessels / boats has been suspended from to-day i.e. 20-10-2024 (morning) temporarily until further order. Hence all passengers are hereby requested to cross through Aphala-Neamati ferry service. The ferry operation is expected to resume its regular schedule as soon as sufficient water replenished in the route. Efforts are since last 3(three) days by alternative means like surveying / bundling etc. to make the channel suitable for plying the boats/vessels but it does not seem to be effective.

Executive Engineer,  
Inland Water Transport Division,  
Jorhat, Assam.

Memo No. EWTD(T)/DM/2/2021-22/ 2539
